

Accessing your child's

Australian Immunisation History online with Medicare

You can view or print a copy of your child's immunisation history statements using your

- Medicare online account through myGov, or
- Express Plus Medicare mobile app

You can email immunisation history statements from within the Express Plus Medicare mobile app.

To create a myGov account

Go to [myGov](https://my.gov.au) and select **Create an account** on the homepage.

- Step 1: agree to terms of use
- Step 2: enter an email address
- Step 3: enter your mobile number
- Step 4: create password
- Step 5: create secret questions
- Account created

Download the app

Before downloading the Express Plus Medicare mobile app, you need a myGov account linked to Medicare. This creates your Medicare online account. You can then download and use the app.

1. Go to my.gov.au to create a myGov account and link it to Medicare.
2. Download the Express Plus Medicare app to your mobile device.

3. Accept the terms and conditions.
4. Sign in with your myGov username and password.
5. Answer your secret question to set up your 4 digit PIN.

To download to an iPad, search for **iPhone only** in the App Store.
